Blue morning glories on a white picket fence are certainly worth rising early to enjoy. Operating Budget Passed

SUB-COMMITTEE ON TRASH COLLECTION
SPECIAL TOWN MEETING - AUGUST 29, 1989
by VIRGINIA MORGAN

Following discussion on several budget items placed on hold at the Tuesday Special Town Meeting 257 voters (7 percent of registered voters) approved a reduced fiscal 1990 operational budget of $6,876.181. Town Moderator R. William Blasdale emphasized that anyone wishing to increase any budget will have to have a decrease of a like amount in order to balance the budget. He noted the Finance Committee and Selectmen have worked hard to reach the budget figure working directly under Proposition 2½.

The amount of $6,732,721 will be raised by taxation within the 2½ limitations, with no amount raised by overrides; $127,772 being transferred from free cash; $4,688 transferred from state aid to libraries and $11,000 transferred from boat excise receipts.

The main discussion centered around the contract/services for the collection of rubbish which was reduced from $64,450 to $32,191. The Finance Committee recommended that this amount would cover the contract with East Coast Disposal until December 31, 1989; then, as of January 1, 1990, the town would give the contractor a list of homeowners' names to allow the contractor to set the cost of private collection and to set up a billing procedure.

Former Selectman James F. Huntoon proposed an amendment to the rubbish collection figure to take the necessary funds from Town Counsel's $31,040 budget and $1,150 from the Selectmen's administration budget. He said he was "not being funny" and said "when the town receives its free cash sometime in September, town counsel can get his money then."

Finance Committee Chairman Elizabeth Kunz said, "This picture of free cash in September is not a big piggy bank to dip into. Free Cash cannot be spent immediately. If it is spent prior to the annual town meeting it has to be for an emergency. You are looking for short-term solutions. Next year will be considerably less in free cash."

Mr. Huntoon asked if the three-year contract will affect the negotiations on the trash collection contract. "How do we get out of the five percent town employee contract increases?" Town Counsel

said increases are based on funding. Mr. Huntoon asked town counsel to read aloud the contract terms, taking exception to counsel's interpretation. He further said, regarding the present rubbish contract, "aren't we into a full contract with the collector? Aren't we getting into a legal dispute?"

Counsel said the Board of Health has not finalized how they will handle the collection. If the contractor prevails in legal suit, the town will have to pay. He added

that the $32,000 represents eight cents per thousand on the tax rate, or $8.00 per year for a $100,000 property.

Mrs. Kunz said the choices of where to cut were difficult. "We spent several nights per week all summer agonizing over these cuts. Selectmen have been preparing this document you have here tonight. Administrator Lois Ennis has worked long hours on this along with town resident Timothy Smith, a computer expert, who volunteered his time to prepare this document."

Peter Kortright asked for a ballpark figure on private collection cost. Barry Denham said in Wareham the cost is $17. per month. A voter said "year after year we will be giving up more. The town better wake up and vote these services."

Mr. Stephen Hanna said it was voted to hire this contractor, he purchased the equipment based on the contract. "We made a contract and we should stand on our word." Mrs. Kunz said "We would like to honor the contract. This vote will give the contractor adequate time to get names and set up the price structure. It was not our intention to leave the contractor out in the cold. He would not lose; in fact

he might make more money with private collection."

Town Counsel Donald Fleming added concerning the rubbish contract that the state has told the town there is a serious dispute concerning paying a prevailing wage by the contractor. It could turn out to be expensive for the present service. Most towns have billing service for the contractor. If they deal directly with town residents there will not necessarily be a prevailing wage problem.

A question was asked about placing a service charge for collection on the tax bill. Mr. Fleming said no it cannot be done. The answer was also no to taking another across the board cut from each department. He noted "we can't take that approach as there are certain accounts we cannot touch, like the ORR High school, debt service and insurances."

Mr. Michael Dahill commented, "I don't want to go to the dump, I don't want to pay $17. per month for trash pickup. We can't cut expenses to the bone. The town will suffer if we cut out trash collection."

Another comment was that there is a lot of illegal dumping now, what will it be if we don't have town pickup. Mrs. Frances Duff said a lot of young people don't know that in earlier days there used to be a town dump where the A & P is on Route 6, then at the Industrial Park, now the landfill. She said what is going to happen to Mattapoisett is Special once trash collection is given up.

A round of applause responded to these comments. Mr. Blasdale said he hasn't

heard that much applause in four years.

Town Counsel said he empathized with Mr. Huntoon and the speakers, but "we cannot use free cash. Yes", he said, "if my funds are not voted here tonight, we will have to come back for another special town meeting to vote a town counsel budget."

Following a break in the meeting, the Moderator returned with a proposal of the Selectmen and Finance Committee and the Board of Health that a special committee be appointed comprised of the chairmen from each of the three boards to determine how the rubbish collection can be made and present alternatives at an October special town meeting.

Because of the support for the subcommittee, Mr. Huntoon withdrew his amendment.

Other concerns in the budget included: the reduction of the printing to the town reports budget from $9,900 to $1,000 was explained by Mrs. Ennis. She said, "By law we have to print the report but we can reduce the contents; it could be done by computer and copy machine and be picked

Assessors' expenses increased $2,003 to cover a state-mandated revaluation of town property because the funds were not voted in the override.

Article one was voted to approve the salaries for elected officials - all were level funded from fiscal 1989, no increases: Moderator, $139; Board of Selectmen Chairmen, $2,536; two members, $2205. each; treasurer/tax collector, $23,153.95; assessors, 3 at $2,602 each; town clerk, $22,573.95; Board of Health, 3 at $276.15 each; highway surveyor, $31,339.35; school committee members, 3 at $276.15 each; water/sewer commissioners, 3 at $276.15 each and tree warden, $1,050.

Article 2 concerning a personnel by-law wage and salary plan amended to include "any increase in wages, salaries and costs of benefits described in any amendment to this by-law is conditioned on the town appropriating the necessary funds". Essentially, no wage increases without funding.

ployees had to lose their increases, and that if there is any additional funding at a later date, they would like to see at least a small percentage increase.

Memorial Day Parade expenses with a budget of $678. was questioned by a voter. Selectman John DeCosta explained the money is used for flags on graves, refreshments for parade marchers and flowers to decorate the memorial squares in town. He added that the Florence Eastman Post #280 American Legion donates another $100. to pay the difference in expenses.

Employee Insurance - There has been about $80,000 increase over last year. It was asked why the large expense for Blue Cross, why not open to bids for coverage? Selectman DeCosta explained Plymouth County has the contract for the whole county - 26 towns and the city of Brockton. "This is one of the best plans for the money we can get."

MATTAPOISETT SELECTMEN'S MEETING
AUGUST 28, 1989-by VIRGINIA MORGAN

At a brief Selectmen's meeting held on Monday, because of the special town meeting on Tuesday, the Board met with Mr. Joseph Keller of Keller Company, developer of the Nunes property off Brandt Island Road for a housing/golf course development, to discuss the company's offer to set aside for conservation or some other use 23 acres of land north of the railroad bed in

exchange for the 18 undersized lots on the south side of the railroad bed within the subdivision. The 18 undersized lots would offset the nine lots north of the railroad bed that the project would be giving up.

Selectmen agreed that the Board of Appeals would have to vote to allow the undersized lots; however, since the subdivision will be serviced by town water and sewer those should be positive factors in granting a variance. It was also

noted that on Upland Way and Hitching Post Road (off Route 6) the town in the past authorized different lot sizes for parcels being served by the town sewer.

Selectmen are in favor of the proposal. They noted the total of 23 acres is "good" woodland; it is landlocked now, but a future road into the property from Route 6 across from Joseph's Restaurant could make it accessible. Of the 23 acres involved, 13 are in Mattapoisett, 10 are in Fairhaven. Keller Company which owns the property wishes to donate the entire 23 acres to Mattapoisett.

Mr. Keller was accompanied by Ron Davis, an associate; Attorney Larry DiCara, representing the company; and Mrs. Carol Adams, Office Manager of Keller Company's Mattapoisett office. Mr. Keller said he will be closing the sale of the property with Mr. Manuel R. Nunes in early October. He said he is planning to have a meeting with the Board of Assessors to discuss the roll-back taxes. Keller Company is proposing a 50 percent roll-back since a large portion of the development will be a golf course and hence open space. The golf course is permanently dedicated to open space. Most of the course will be in Mattapoisett, with a few holes in Fairhaven. It was noted Mr. Nunes will retain three lots.

Selectmen agreed to support the project should there be an appeal of the DEIR (Draft of the Environmental Impact Report) with the state Department of Environmental Protection.

Also present at the meeting were Selectmen's Administrator Lois K. Ennis, Town Counsel Donald J. Fleming and Finance Committee members Chairman Elizabeth Kunz, Robert Banz and Ralph Eustis. Discussion was held on the special town meeting on the town operational budget for Tuesday, August 29th.

In other business:

TOWN CLERK/SELECTMEN'S Administrator Lois K. Ennis was unanimously appointed to combine her duties with those of an executive secretary on a part-time basis, while retaining the title Administrator. She will serve in this joint capacity until January 30, 1990 at which time her contract will be reviewed. The chairman said all contract positions are reviewed in January.

Ms. Ennis' salary for fiscal 1990 will be $12,994.50, or about $250. per week, said the chairman, for the administrator

Selectmen also agreed to develop a job description and to place ads to hire an Administrative Aide to work in the Selectmen's office, with a term of hire of one year. This would also be a contract position.

VOTED TO ASK the Board of Health for plans, permits and other documents on file with its office regarding lots abutting Pine Woods Way and Stoney Hill Road. It was noted there may be sewerage discharging into the drainage system under town roads.

From Rochester Assessors:

To the Taxpayers: This year, as in all preceding years, the deadline for submitting a "Form of List" of all personal property used in the conduct of business within the Town of Rochester and subject to personal property taxation was March 1, 1989.

Due to the fact that a townwide Revaluation is being conducted this year, that deadline will be extended to September 30, 1989.

It is being taken under advisement by the Board of Assessors that should a person conducting business within the Town fail to submit a completed "Form of List", that person be issued a tax bill based upon a personal property valuation of.... NO LESS THAN ONE HUNDRED THOUSAND DOLLARS. ...and that figure increased depending upon the type of business conducted, and the estimate of personal property necessary for that business.

"Forms of List" may be obtained from the Assessors' Office.

Thank you in advance for your cooperation.

Auction a Success

Many committed citizens invested hours of their late summer weekend to support the Mattapoisett Land Trust in a very successful auction at the Henry B. Dunseith property.

The day-long auction on Saturday, August 26, grossed more than enough to cover debts of the estate and property maintenance expenses incurred since Mr. Dunseith's death, as well as to create a modest endowment fund for upkeep of the build-

Verification of Absences

MATTAPOISETT SCHOOL COMMITTEE

The Mattapoisett School Committee feels that it is in the best interest of school children attending the Center and Old Hammondtown Schools to have some verification of any absence from school.

We want to avoid a situation where the parent/guardian assumes the child is in school when in fact he/she might not be in attendance. Likewise, the school should not assume that when a child is not in school that the child is home with parental knowledge.

MYAA Fall Dance

BACK BY POPULAR DEMAND

The Mattapoisett Youth Athletic association is sponsoring a Fall Fund-raising Dance to be held Friday, September 15th, from 8 p.m. to 1 a.m. at the Knights of Columbus Hall in Mattapoisett. Music is by "Hit After Hit". For information about tickets or to find out how you can help, contact John or Shirley Haley at 758-9338, or Marie Haymaker at 758-4467.

MYAA was founded in 1981, as a group of involved parents and coaches who raised money to augment the Town Recreation Committee's budget for boys' and girls' sports. Essentially, over the years, the town has paid for equipment, insurance, officiating and a commissioner to hire officials and schedule boys and girls basketball minor league and little league baseball and girls' softball. MYAA has used the fees collected to buy uniforms and help out the commissioner when the town budget

couldn't be stretched any further. It's been a good working relationship.

Now, there is no money in the Recreation Committee's budget for a commissioner. There is no money for officials and there is very little for equipment. If concerned parents and coaches don't come together and work together with the Recreation Committee to keep the programs going, the programs will fail.

For the first time in years we have need for fund-raising beyond registration fees. The money we raise at the dance will help ensure that boys' and girls' basketball will go on this winter. In addition to the proceeds of the dance, the sports program will be supported by increased fees and volunteer officiating. If you feel qualified to officiate and would like to volunteer one night a week to do three games with the kids, please call John Shockro at 758-4216.

We simply can't expect from the town the financial support we're used to. If we're going to have basketball and baseball in all its various forms for our children we're going to have to pay for the program ourselves. Plan to attend the MYAA dance on Friday, September 15th. We'll have a good time, and we'll keep sports going for our children.

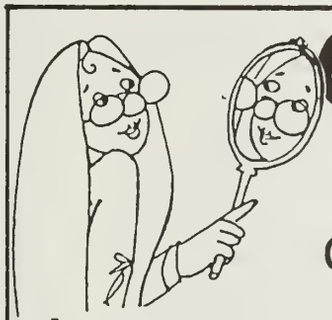
MORE ON MEDICARE

If you are able to answer yes to the following questions you may qualify for a new benefit which will pay for your Medi-



eye talk

Q. Is our 14-year-old daughter old enough for contact lenses?

A. The key to successful contact lens wear is getting a thorough examination, keeping the lenses clean and sticking to wearing schedules.

If your daughter can follow instructions and is conscientious about hygiene, she is probably ready for contacts.

Be sure she gets the right care. Schedule an eye examination with an optometrist who offers all types and several brands of contacts; gives a 30- to 60-minute examination plus a thorough lens fitting evaluation; and requires follow-up visits during adaptation and periodically thereafter.

Be wary of extremely low-priced contact lenses. Often, either less care is given or extra costs are added, making the total price higher than package prices quoted by others.

Optometric studies show teens' grades and psychological attitudes often improve as a result of wearing contact lenses instead of glasses.

Since the planning workshop on June 14, the Planning Board has reviewed and approved a final draft of the Growth Management and Land Use Policy Planning Chart and the Land Use Plan Map. William Matthews, Chairman of the Planning Board, comments, "We have tried to consider the concerns of those who participated in the workshop and believe we have developed a plan which will provide a good guide for the next decade." Copies of the Growth Management and Land Use Policy Planning Chart have been circulated to various boards, commissions and officials of Mattapoisett.

The Planning Board also has been reviewing some of the plan implementation recommendations which have been prepared by the Planning Board's consultant, Burk Ketcham of Burk Ketcham and Associates of Cohasset. These cover zoning revisions such as cluster housing, summer seasonal conversion, site plan review and approval, and a new mixed use development district. Copies of the proposed By-Law changes also have been circulated to other boards and officials for comment and suggestions.

Mr. Matthews stated, "We hope you will reserve the evening of September 20th for this important meeting. Members of the Planning Board and the consultant will be on hand to present our recommendations, hear your comments, and answer your questions."

Letter to the Editor

There is an old saying that "You can never go home again", but last week I came back for my yearly visit with relatives who still live in Mattapoisett. Now that our children are older and spreading their wings on their own, my sister and I went to the wharf Thursday evening to watch the teen dance. My mind rushed back to the early "60s" when I was there dancing at the record hops. As a former "wharf rat" who went to all of them way back then it is wonderful to know they still have them. The P.A. system is a lot better, the D.J., Mr. Mello, did a fantastic job. There were a lot more kids, but they were polite and well behaved. The only disappointment..... the closing of the town beach bathhouse and lack of lifeguards. I grew up at the beach and never missed a day...as Al Boucher will attest to. With the finances of the state in a mess I can understand the need for cuts but let's see if the town can work together to re-open it next summer. Many local beaches in my area charge 5 or 6 dollars a car for "out of towners". Maybe that could help re-open it. Then, when I and many others come back, we can step back in time again for a few minutes and look at the yellowed pictures of the swim meets hanging in the bathhouse. Then I'll know "you can come home again".

September 23rd.

Under the joint sponsorship of the Friends of the Friends Meetinghouse and ACTION, the Acushnet civic watchdog group, the exciting drama of life in the colonies in the 1660s presents the true stories of Quaker martyr Mary Dyer and other new settlers ready to die for their faith.

"Cursed Tennets" (1660 English spelling of "tenets" or "beliefs") were the words used by the authorities of Plymouth to describe the beliefs and customs of the early Quakers, who were finally hounded out of the colony to settle mainly in Rhode Island and southeastern Massachusetts.

The first half of the production recounts the story of Mary Dyer, a committed Quaker ready to defy the authorities rather than give up her beliefs. Portrayed by Regina Porter, Mary Dyer comes to life as a warm, vibrant and absolutely convinced believer in the Quaker road to salvation.

After an intermission, during which free authentic colonial refreshments will be served (including that exotic beverage, "just arrived from England", coffee), the second half, called "The Trial", is another true episode in the long New England fight for the religious freedom we enjoy today. Starring in this portion of the program is Scott Atwood as the Judge, a stern, unbending (but compassionate) symbol of the rigid society he represented.

Cursed Tennets is being shown as a fund-raiser for the Long Plain Friends Meetinghouse in Acushnet, with all proceeds to the "Friends of the Friends'" restoration fund. Tickets are $5. for adults and $2.50 for children, and may be obtained by calling either 763-2410 or 763-2488. The single showing of this engrossing production will take place on Saturday, September 23rd, at 7:00 p.m. at the Acushnet Elementary school, 800 Middle Road, Acushnet.

Phase Two, starting shortly after Labor Day, will include further plantings and the complete rototilling and seeding of the lawns utilizing funds from the very successful Garden Festival held last May. Phase Three will see the construction of the gazebo and the installation of the balance of the benches.

Eisteddfod Festival

SEPTEMBER 14-17

The 18th SMU Eisteddfod Traditional Arts Festival will be held September 14-17 bringing the folk traditions from near and far away to the North Dartmouth campus of Southeastern Massachusetts University.

Everyday lives of millworkers, mariners and miners, of Native and immigrant Americans, of Newfoundlanders, Africans, and the peoples of the British Isles - to name just a few - will be celebrated in music and dance.

The Eisteddfod emphasizes traditional songs and instrumentals - many performed on unusual instruments - which have been handed down through the generations. A family concert will be held at 1:30 p.m. Saturday with a reduced admission of $4. Children under 12 will be admitted for half price to all concerts. Free crafts fair, a children's area, and workshops are also part of the festival

Groundbreaking at Tobey

BREAKS GROUND FOR NEW EMERGENCY/RADIOLOGY FACILITY

Tobey Hospital recently broke ground for its $4.8M construction-renovation project that will double the size of the hospital's emergency and radiology facilities. Lt. Governor Evelyn Murphy, keynote speaker at the ceremonies, called Tobey a "gem", noting, "I see ways Tobey is good for the economy as well as people. Community hospitals like Tobey are a great economic force."

Also attending were State Representatives Charles Decas, John Bradford and Thomas Cahir, and members of the town government from each of the seven towns Tobey serves.

Veering from traditional groundbreaking ceremonies, Tobey employees joined hospital and legislative officials in the actual breaking of ground. The six employees representing the entire hospital staff were: Esther Roe, Gary D'Acci, Madeline Silvia, Karen Ponti, Peter Reed, and Marion Raymond.

"This groundbreaking," said Charles S. Kinney, hospital president, "was more than a celebration. It was a gathering of people who share a common vision of what is to come. Many people have invested

ances by Judy Collins and Chuck Mangione, a fully-staged opera, ceremonial Japanese drums and 22 other great performances.

This year 13 corporate sponsors will provide funding for more than half the Zeiterion's programming. Eleven sponsors from last year have returned: AT&T Communications, Delken Professional Dry Cleaners, Entre Computer Center, Fairhaven Savings Bank, Freestone's Restaurant and Bar, Karten's Jewelers, Merrill Lynch, New Bedford Institution for Savings, Polaroid, Silverstein's and The Standard-Times. This year's new sponsors are the Acushnet Company and Coyne Textile Services.

The Zeiterion's eighth season opens September 15th with the world premiere of Kenneth Fracelle's Sonata for Cello and Piano (1989) by renowned cellist Yo-Yo Ma and pianist Jeffrey Kahane, winner of the 1983 Arthur Rubenstein Competition. The concert is the first in the Greater New Bedford Concert Series, which is sponsored by Delken Professional Dry Cleaners and the New Bedford Arts Lottery Council.

The series continues in November with the Zeiterion's first ever offering of a fully-staged opera, Bizet's Carmen when the San Francisco Western Opera Theatre brings its English language production to the Zeiterion on November 4th. The concert series ends with a February 10, 1990 performance by the acclaimed concert pianist Paul Badura-Skoda.
